

Chair's Message

AGM 2021

It seems like there has been 2 years of "cloudy with a chance of meatballs"...meatballs being a great metaphor for the ups and downs of the last 24 months! But, there is a light at the end of the tunnel and 2022 should prove to be an exciting year.

During 2021, we were able to run programs, following covid restrictions, and although gallery traffic was a bit slower, many people were able to see the wonderful variety of exhibitions and take part in workshops and talks.

This is the spring we uncover the plastic in the back yard and hopefully find gout free soil! We are planning to plant in that area this spring. There is work to be done to our building, some of which is scheduled for later on.

Whether our regular meetings were via Zoom or in person when we could, it was clear we have a wonderful and active Board and it was a joy to be part of the plans and programs in 2021. A special thanks to the Board and a special thanks to Sophie, our Gallery Director for all her help in keeping ARTSPACE vibrant and on track.

Respectfully,

Julia Redgrave
