

**Chair's Message**  
**AGM 2023**  
**March 26, 2024**

Good evening.

What a banner year 2023 was for ARTSPLACE! It really felt that the galleries, exhibitions, demonstrations, workshops, film nights and show openings returned from Covid restraints to an amazing line-up of events.

Thank you to the program and exhibition committees for presenting such memorable times. Thank you to the membership committee for their patience and endurance in getting the membership list updated.

And thank you to Carol for piloting us through changing financial times. Thank you to all our board members for lending their strengths and wisdom to advancing ARTSPLACE's profile in our community and further afield.

Thank you to the members who have volunteered for events, gallery sitting and Paint the Town. We will need you all again!

And especially thank you to Sophie Paskins and Geoff Agombar for their tireless behind the scenes preparation and organizing for all that happens at ARTSPLACE.

May 2024 be as amazing!

Respectfully submitted  
Julia Redgrave  
Chair
